K-6 PRINCIPAL

Its official and we have it in writing; we have been renewed for a new five year charter term. One of the most significant differences between a charter public school and a traditional public school is that charter schools have to prove their effectiveness or they will be closed. Here is how the letter granting us another five year charter ended:

“The charter school initiative is a key component of education reform in Massachusetts, and your school has proved what a strong vision, high standards, and hard work can accomplish for the students of Massachusetts. I wish you great success as you continue to provide academic excellence and choice to the children of the Commonwealth.

Sincerely, Mitchell Chester Commissioner of Elementary and Secondary Education”

We appreciate and agree with this expression of quality and want to share with all parts of our school our success as a team, for this is centrally the triumph of the students and their hard work but the adults (families and staff) can also take pride in this accomplishment as well.

One thing that has been a hallmark of our school is our constant focus on improvement and with this renewal we are beginning to start in earnest looking at our Accountability Plan for the 2011 -2015 charter period. Last spring as part of the renewal process a taskforce of a student, parents, teachers and administrators developed this Accountability Plan. The Accountability Plan is the road map or guide for our very bright future.

Our founding charter laid the ground work for a great school. The original charter envisioned a school where parents, students, and faculty all worked together to help develop a powerful and rich life. One way we try to achieve this goal is to communicate relentlessly. For the past several years we have had morning coffees where we can meet with families and gather feedback on how we are doing. In the past these, forums have been very important and have influence our thinking about how the school should evolve and develop. We very much hope that you can come.

Level I	Wednesday, February 10 – 8:30am
Level IV	Wednesday, February 24 – 8:30am
Level II	Wednesday, March 3 – 8:30am
High School	Wednesday, March 10 – 8:30am
Level III	Wednesday, March 17 – 8:30am

Right after the earthquake in Haiti our students came to us and said that they wanted to do something. The message from the relief agencies were clear, what was needed most was cash. The students began and are continuing a “Coins for Haiti” collection. A teacher told me of sixth grade student who came in with a sack of coins the size of a honey dew melon. He told her that he had been collecting the bag since he was a baby and that it was going to be for a vacation but that now he wanted to do something more important with his money. That sentiment is being expressed from all parts of our community and we hope that all can come to this **Saturday’s Parents’ Association Meeting** where we will have a special presentation from parent Jacky Poteau about what is going on in Haiti and how we as a school could help. Over the past two weeks, the Board of Trustees and board chair, Jeff Seglin, and the school administrators have been working on plans to establish an on-going relationship with a school in Haiti as part of the “service” commitment in our mission. We connected with Jacky Poteau a parent who runs a nonprofit foundation called FATEM. We have worked with FATEM in the past donating clothes last year after the series of devastating hurricanes. FATEM is working closely with a professor at DePaul University in Chicago who has co-authored a book with our own Jeff Seglin. We are beginning this relationship with FATEM and DePaul to develop a long term plan that would connect us with a school and teachers in Haiti for years to come. Our goal is to have this partnership enrich the lives of the Haitian teachers and students as well as our own teachers and students. Now is a time to plan for a better future. Please come and hear about this and we look forward to seeing you on **Saturday at 10:00.**

If you have any questions or comments please contact me at thirsch@sscps.org.

PARENTS ASSOCIATION

Our next PA meeting is Saturday February 6th from 10a-12p at the school. We will have a special guest joining us. Jacky Poteau, a parent and uncle of students at SSCPS, will be joining us to discuss the crisis in Haiti. Mr. Poteau heads up a Nonprofit Foundation working to get aid to Haiti. He was also present at the time of the earthquake and will be discussing his experience. I have not heard from many parents regarding the need for childcare. If you're interested in attending but would need childcare please contact me prior to 4pm on Wednesday. Hope to see you there
Deidre Lamoureux jcalamoureux@comcast.net

The Parent Association Wants to Give You Money!

The PA has funds that we would like to distribute to the school community and we need your help. Is there a project or event you'd love to see at the school? Supplies that we need? Something that can improve the environment or education at SSCPS? We are asking for ideas from parents, students, faculty and staff, but think fast, the deadline for the spring distribution is 2/15/10. Fill out the attached Financial Request Form and turn it in no later than 2/15/10 and we will review all submissions and let you know if your request will be funded after the April PA meeting.

We also need a Task Force to meet at the end of February. to review the requests and put together a budget to present to the PA at the March 2 meeting. We need one parent from each level to help us decide which projects to fund. Please contact Elissa Dennis, coffinwife@gmail.com if you are interested.

Box Tops for Education is going strong! We are having a record year for Box Tops, so please keep them coming. Feel free to leave a collection box at your own workplace too. There are lots of collection projects, as well as recipes and coupons, on the Box Tops website: www.boxtops4education.com. If you have questions please contact Bethany Whitemyer at bwhitemyer@rcn.com

Longwater Transportation offers a reliable and safe bus service run from Hull, Hingham, and Cohasset to SSCPS. If you are interested in having your child ride the LW Bus either one way or full time, please email AmyLemkin@gmail.com.

REMINDER: to join the online SSCPS Parents Discussion Forum at GoogleGroups. This is a great forum for sharing thoughts and ideas related to the school and our community, and for keeping up with Parents Association announcements and news. School Report – Ted Hirsch

- Prue is ill and unable to attend the meeting.
- Donovan Flauvell has been hired as a substitute to cover while Kendra is out on maternity leave. He will also be available to substitute throughout the building between now and when Kendra takes leave.
- A training for Level II & III teachers, under a grant secured with Holbrook schools, is scheduled. The program will focus on how best to communicate with students across the various classes /subjects, to create a collective unity of teaching.
- There will be a press conference conducted by the Mass Charter School Association at 11 am tomorrow at the State House. Parents are requested to attend, if possible.
- On Friday, Representative Bradley and his aide will visit the school
- An educator from the UK, Jonathan Crosley-Holland, will visit the school on Wednesday. Class Measures, the organization that conducted the school's charter renewal, recommended SSCPS as an example of an innovative, project-based school that he may like to observe.

General Discussion Topics

Winter Concert: Ted provided feedback regarding the Winter Concert. The students performed wonderfully, however the audience was noisy and not fully respectful of the performers. General discussion of how we could improve on this. Suggestions include hiring ushers, making a general announcement (as they do at movie theaters) regarding noise, cell phones and conversations. In general, the message of proper theatre etiquette needs to get out to attendees. It was also noted that the house lights were not functioning and not having dimmed lights – as is typical during a theatre performance – could have created an environment for noise. It was also suggested that the program include general timeframes for each level performance so that parties who need to leave early, for whatever reason, can do so at an appropriate break in the schedule. The Spring Concert will also be held at Notre Dame. While the facility offered ample parking, it was noted that the acoustics and lighting were poor.

New Lunch Program: Today was the first day of the new lunch program. Operationally, it ran pretty smoothly for the first day. There were comments regarding portion size; the full meal and the $\frac{3}{4}$ meal appeared to be very similar. At the high school level, there was a bit of a back up in the line. Overall, it seemed favorably received. As the pilot program continues, parents and students are encouraged to continue to provide their feedback.

School Report – Angie Pepin

- This week teachers are observing math classrooms in Scituate, where the McDougal math program is used. This is the new math program that SSPCS has selected for grades 7-12.
- Bathroom door locks are repaired

Committee Reports

Fundraising (Dottie Kennedy-Brooks):

- Fitness Fundraiser scheduled for Wednesday, January 20th from 7-8:30 pm at Mamas Move in Norwell. Event includes Zumba and/or Yoga class, chair massage, and entry fee is \$20 per person for the two hour event.

Welcoming (Kerry Griffin):

- Next Open House for prospective students and their families is scheduled for Thursday, January 14th from 5-7 pm. Volunteers are needed to greet parents and students, tour the building and answer questions. Donations of snacks to provide our guests were also requested. Please contact Kerry if you can help.

- Based on feedback from the previous Open House, it was suggested that SSCPS students assisting with this event be provided with a script or general overview of info about the school so that they can be well-prepared for questions that may arise from visitors.
- Level I & II social will be scheduled soon. This event is held at the school and usually includes music, snacks and crafts or other activities for the kids. Volunteers are needed to help plan and execute this event.
- Kerry mentioned that volunteers for various activities may be available through an organization known as RSVP, a group of retired seniors. It was noted that the golf/auction committee needs an advisor with a marketing background to help with advertizing, and this may be a good resource if the talent cannot be found within the school community.

SEPAC (Mickey Ciambrello):

- No new news. Next meeting is in a couple of weeks.

Library (Beth Toma/Bev Bruce):

- Volunteers needed to assist with the shelving of books, weekday afternoons around 2:30 pm.
- Question raised about adult guidance during classroom visits to help children select the right book. While there is some oversight during library time, the library aims to empower children to choose. Library's collection includes: Core Knowledge recommended books, Fiction (current, Newberry & Caldicott medal winners), Biography, some fiction for older students and some science books.
- Development of an electronic catalogue system is under exploration. This would really help with searching for books and overall management of the library.
- Level IV is now visiting the library on Wednesdays.

School Report - Jackie Perry

- Mid-terms are approaching
- Ski trip scheduled for March 5th
- Over 500 cans of food collected as part of food drive for local pantry.

SOUTH SHORE CHARTER EDUCATIONAL FOUNDATION
2ND ANNUAL 'DRIVE FORE THE FUTURE' GOLF TOURNAMENT &
15TH ANNUAL AUCTION
Friday, June 11, 2010

Winter 2010

Dear Friend:

SSCEF's Golf & Auction Committee is in full swing again, planning the 2nd Annual Golf Tournament & 15th Annual Auction. This year the **"Drive Fore the Future"** events will be held at Pembroke Country Club in Pembroke on **Friday, June 11, 2010**, beginning with an afternoon scramble and followed by a scrumptious dinner auction to benefit the students of the South Shore Charter Public School.

This event is not just a fun afternoon of golf; it's an important fundraiser for the South Shore Charter Public School, a K-12 school serving 27 communities. Our goal this year is to raise at least \$30,000. The money is essential to the budget; making it possible to maintain the richness of the curriculum and experiential learning programs including Spanish, science, the arts, technology, and the ever popular "projects" and workshops. The students at the school in every grade are also committed to service learning and spend numerous hours volunteering in the community helping others locally and internationally. By participating in this year's event you can help our students score the 'Whole in One'... excelling in Academics, Career, and Life.

We've enclosed this year's registration form, but you can also make your sponsorship commitment, sign up your foursome or make dinner auction reservations online at www.sscps.org. (Click on "Donate Now" in the SSCE Foundation tab then choose Golf Tournament or Auction in the program section). Sponsorship opportunities start at just \$100 and our golf packages include lunch, your cart, and dinner that night in coordination with our Annual Auction.

We will again have wonderful live music and this year we have room for dancing, entertaining contests, and guest celebrities. Don't miss the social event of the year and guaranteed FUN as we raise crucial funds. We need YOU to make it a huge success both to reach our financial goal and to make it a great party for all. Please register today and join us for all or part of what promises to be a terrific day for SSCPS. If you have any questions, please contact Miriam Brownwall at brownwall@comcast.net or at 781-545-2008, or any of the other co-chairs who signed below. On behalf of the entire South Shore Charter School Community, we thank you for your support!
