

Athletics at the South Shore Charter School has even more accolades to celebrate. We recently learned that our very own Heather Fredette has been voted the Massachusetts Charter School Athletic Organization's Soccer Coach of the Year! Heather was nominated for this outstanding distinction by a group of her peers from all team leagues.

"It is time Heather got the recognition she deserves," said Jack O'Brien, Executive Director of MCSAO. "She is very dedicated...a wonderful young lady."

Congratulations Heather and thank you for an amazing season!
